

# Release Notes

## Details Software-Version: Main 32.09: May 2023

A new version of mower software has been released for the affected models:

<b>Model</b>	<b>Serial Range</b>
SILENO minimo 250	All
SILENO minimo 300	All
SILENO minimo 380	All
SILENO minimo 400	All
SILENO minimo 450	All
SILENO minimo 500	All
SILENO minimo 600	All

### The software includes the following changes:

- Various optimizations, which will make your robotic lawnmower work even more reliable in different situations
- Basic for future improvements
- Bug fixes

We recommend bringing the robotic lawnmower up to date with the latest software update.

# Release Notes

## Details Software-Version: Main 32.15: Dec. 2021

A new version of mower software has been released for the affected models:

<b>Model</b>	<b>Serial Range</b>
SILENO minimo 200	All
SILENO minimo 250	All
SILENO minimo 300	All
SILENO minimo 380	All
SILENO minimo 400	All
SILENO minimo 450	All
SILENO minimo 500	All
SILENO minimo 600	All

### The software includes the following changes:

- Charging current supervision  
Check if charging current is as expected. If this is not the case, the mower will dock again (up to 8 times). If still not as expected, the mower will show error 30 (charging system error).
- Start-on-start  
Mower starts mowing when pressing "start button" twice, even if battery is not fully charged.
- Support for ZoneProtect Art. No. 15021 (coming during season 2022).
- Bug fixes.

We recommend bringing the robotic lawnmower up to date with the latest software update.
